

# COAST GUARD SPOUSES' ASSOCIATION OF SOUTHEASTERN CONNECTICUT CADET CAKE ORDER FORM 2011-2012

Dear Parents:

Would you like to send your cadet a cake on his or her birthday? Or let them know that you are thinking of them on a special occasion? The USCG Spouses' Association would like to help! We are pleased to offer cakes, baked and frosted by our volunteers in their kitchens, for these various occasions.

In exchange for this service, we request a **minimum donation of \$17**. Sales of cakes over the past year have allowed the CGSA to make donations toward the Cadet Activity Fund, Fisher House and the Women's Center of Southeastern Connecticut, as well as provide care packages to USCG cutters serving in the gulf. We are proud of our commitment to these charitable causes and feel this mirrors the tradition of the Coast Guard as a humanitarian service.

If you would like to order your cadet cake a cake, please complete the form below and return it to the address listed **by the 15th of the month prior to the month of delivery**. (For example, if you are ordering a cake for any day in November, your cake order must reach us by October 15.) We encourage you to send a card of your own to help personalize the cake, or we can enclose a simple message for you.

Our cake delivery schedule will begin on August 18, 2011 and end prior to final exams on April 27, 2012.

Please note: **Cakes cannot be delivered during Swab Summer.**
